1 AN ACT ...; relating to: the budget. ✓

(WTCS)

Wisconsin
Analysis by the Legislative Reference Bureau

Current law allows the Technical College System Board (TCSB) to make grants to technical college district boards (district boards) for skills training related to the needs of business. Current law prohibits the TCSB from making a grant unless certain requirements are satisfied, including that the business is located in this state, has no more than 100 employees, and has no more than \$10,000,000 in gross annual income. Also, current law prohibits using a grant to pay more than 80 percent of the cost of training the spouse or child of the business owner, or to pay wages or compensate for lost revenue in connection with providing the training. In addition, current law prohibits the TCSB from awarding more than \$1,000,000 in grants in a fiscal year.

This bill eliminates all of the prohibitions described above. In addition, the bill eliminates a requirement under current law for district boards to submit reports to the TCSB on how grants are used. Finally, the bill changes the appropriation for the grants from an annual to a continuing appropriation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 20.292 (1) (eh) of the statutes is amended to read:
